The Science of Sound (Shabda Brahma) in Vedic Planetary Healing

In Vedic philosophy, the entire cosmos vibrates with primordial frequency. The **9 Navagrahas** resonate with precise sound frequencies (*Beej Mantras*). When a planet in your birth chart is afflicted, combust, or transiting through a sensitive house, chanting its specific Vedic Beej Mantra aligns your personal bio-field (aura) with the cosmic harmony of that planet, dissolving karmic obstacles without any material cost.
